

Great Yarmouth Charter Academy

Careers Education, Information and Guidance

Provider Access Policy

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Vision

Every Charter pupil leaves with the drive, skills, knowledge and understanding to reach their chosen career goal. We believe that we give Charter pupils a special perspective on life. We imbibe them with the skills and belief to successfully compete with pupils from other schools. The Careers programme supports this and aims to prepare pupils for their transition into post-16 education and then on to the world of work. We intend to raise the aspirations of our students and improve their social mobility, develop 7 employability skills and enhance their knowledge of the labour market whilst providing them with access to all available career pathways. Students will experience a range of encounters which will include employers and employees, colleges and universities and have opportunities for personal guidance.

As we are now in the midst of the Covid-19 pandemic and unemployment for the next few years looks to be rising, our students will need to not only succeed in their curriculum subjects but also have the knowledge and inspiration from Careers to drive them forward and so find employment in the future.

Great Yarmouth Charter Academy has a statutory duty to adhere to the Careers Strategy and Statutory Guidance published in January 2018 and is working to achieve the eight Gatsby Benchmarks

Useful Links

The [National Careers Service](https://nationalcareers.service.gov.uk/) also has a lot of information that will help you build a CV and develop an action plan.

<https://nationalcareers.service.gov.uk/>

You can find courses and learning providers on [Help You Choose](https://helpyouchoose.org/content/). Once you have chosen your course/s (you can choose as many as you want to) you can apply online. You can also use [Kudos](https://kudos.org/) to find careers that might suit you.

Pupil entitlement

All pupils in years 7-11 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events
- to understand how to make applications for the full range of academic and technical courses

Management of provider access requests

Procedure

A provider wishing to request access should contact Howard Wyatt, Careers Lead

Telephone: 01493 842061; Email: howardwyatt@inspirationtrust.org

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers:

Charter Careers Programme

Please speak to our Careers Leader to identify the most suitable opportunity for you.

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available Audio Visual and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at reception to be passed on to the Careers Lead.

Approval and review

Approved (to be approved on the 20th October) by the Local Governing Body

Next review: October 2021
