

23rd March 2021

Dear families,

I hope you're well.

The government has announced that schools will welcome back all students from Monday 8th March. We will be in contact with you to confirm the arrangements soon. Could I please ask that if you have not given consent for a lateral flow test to be taken please do so through the link below.

Testing consent link [here](#).

We, at Charter, are extremely proud of how well our students have done with their online learning over the past half-term, and would like to thank you once again for your support with this. Our remote education will continue until your child returns to school.

We have been regularly reviewing our Covid-19 safety plans to make sure our school site is as safe as possible. We will also continue to teach children in bubbles and stagger arrival and departure times. Pupils will remain in masks as they were before Christmas. We would like to reassure our families that the safety of your child remains our top priority.

Please do pass on to your child how impressed we all are with their dedication over this difficult period of school closure, and how excited members of staff are to see them back in two weeks' time.

Best wishes,

**Mr K Blakey**  
Principal
