

31st December 2020

Dear Parent/Carer,

I hope you're well.

As you will have seen, the government has announced that children in Year 11 will not return to school on Tuesday 5th January. This means our school will only reopen for the children of key workers and vulnerable children (children that are vulnerable are defined as having a social worker or an Educational, Health or Care Plan). All other children must stay at home. If you are designated as a key worker and will be sending your child to school please fill in the form attached to the link below or email the academy at office@gyca.org.uk

School will reopen on Monday 11th January for children in Year 11. We will be able to welcome all children back from Monday 18th January.

We're sorry for any inconvenience this causes you. Please know, we are determined to ensure our students do not miss out on their education. Therefore your child will be able to continue studying at home via our remote learning resources. We will confirm all in writing on Monday the 4th January regarding our remote learning resources.

If your child does not have access to the internet or a device, please let us know as soon as possible at the above email address.

Yours sincerely,

Mr K Blakey

Principal
