16th November 2020

Dear families,

I am writing to inform you that there has been a confirmed Covid-19 case within our school community. As this person has not been in school for more than a week, we have been advised that we do not need to close or ask any of our pupils to self-isolate.

The individual will be self-isolating at home until it is safe for them to return to school.

I understand that this will be worrying news, but please be assured that our social distancing, hygiene protocols, regular cleaning, bubbles and track and trace systems during social time within school have meant that we can remain open safely. We have acted quickly and we are following advice from external agencies to make sure everyone is safe.

Please know that the safety of our children, staff, families and wider community is our top priority. Our school is regularly cleaned and we will remain open, as usual, for your child.

If you have any other questions, please contact us on 01493 842061.

Best wishes,

A handwritten signature in black ink, appearing to read 'K Blakey'.

Mr Kevin Blakey
